LINKS

A. General Hypertext Links

GSM Valtech Industries Ltd and subsidiaries freely grant permission to anyone wishing to link to this website, and we will gladly remove any link from the website upon request from the linked entity. This website is not sponsored or associated with any particular linked entity unless so stated by that entity and GSM Valtech Industries Ltd. By clicking on these links, you will be leaving the GSM Valtech Industries Ltd website(s), and going to another, entirely independent website. GSM Valtech Industries Ltd provides these links as a service to our visitors and users; however, it exercises no editorial control, assumes no responsibility for and makes no representations as to the accuracy, appropriateness, or any other aspect of the information contained in these other websites. The existence of any particular link is simply intended to imply potential interest to the reader, but does not constitute sponsorship or endorsement of the linked site by GSM Valtech Industries Ltd.

B. Stock Quote Link

GSM Valtech Industries Ltd, its client companies, nor its stock information providers shall be liable regardless of the cause or duration, for any errors, inaccuracies, omissions, or untimeliness of the information, or for any delay or interruption in the transmission thereof to the user, or for any claims or losses arising therein.

PRIVACY

GSM Valtech Industries Ltd uses its best efforts to respect the privacy of its online visitors. GSM Valtech Industries Ltd may use "cookie" technology (a tiny element of data that is sent to your

browser, which may then be stored on your hard drive so we can recognise you when you return) only to obtain non-personal information from our online visitors in order to improve their online experience. For example, we track the total number of visitors to our sites in the aggregate.

GSM Valtech Industries Ltd only gathers personally identifiable data, such as names, addresses, email addresses, etc. when VOLUNTARILY submitted by a visitor. For example, personally identifiable information may be collected in order to respond to a request for literature or to download demonstration software. This information is used solely by GSM Valtech Industries Ltd or our partners who are involved in the operation of these sites for internal purposes and is not sold or transferred to third parties. Only visitors who request email will receive email from us. GSM Valtech Industries Ltd reserves the right to change this policy at any time. Be sure to check this page periodically for any changes.
